

THE JARGON BREAKER

PROTOCOL

Deconstruct Any Concept. Master It.

Ban the jargon. Explain simply.
Build an analogy. Log the friction.
Understand it – or admit you don't.

95 SESSIONS | 19 WEEKLY DEBRIEFS | 6 × 9 IN

© All Rights Reserved.

No part of this publication may be reproduced, distributed,
or transmitted in any form without prior written permission.

First Edition.

Printed in the United States of America.

The Jargon Breaker Protocol is a registered workbook concept.

Use of this workbook is strictly for personal learning.

I DECLARE

that I will not hide behind complex vocabulary.
that if I cannot explain it simply, I do not understand it.
that technical jargon is a tool – not a shield.

I COMMIT

to banning my crutch words before I begin.
to finding the analogy before I claim mastery.
to logging my confusion honestly.
to choosing clarity over the appearance of intelligence.

I UNDERSTAND

that "I know it, I just can't explain it" means
I do not know it.

Date: _____

HOW TO USE THIS WORKBOOK

STEP 1

BAN THE JARGON

Write 3-4 terms you are FORBIDDEN to use. This forces you to find simpler language before you start.

STEP 2

ELI5 — EXPLAIN LIKE I'M FIVE

Use only everyday words. Imagine you are explaining to a curious 10-year-old with no background.

STEP 3

BUILD THE ANALOGY BRIDGE

Link the abstract concept to something physical. Sketch it or write: 'It works like a ...'

STEP 4

LOG THE FRICTION

Be ruthlessly honest. Which part of your explanation still feels forced or unclear? Name it.

BONUS

THE GOLDEN SENTENCE + 5-WORD CHALLENGE

Compress your entire explanation to 15 words, then to 5 words. Constraints reveal mastery.

Every 5 sessions → WEEKLY DEBRIEF page. Identify patterns in your friction points.
--

PROGRESS TRACKER

Shade each cell when you complete a session.

NO JARGON

Use only simple, everyday language. No crutch words allowed.

This image shows a full page of primary-ruled paper designed for handwriting practice. It features ten sets of horizontal guidelines, each consisting of a solid top line, a dashed middle line, and a solid bottom line. At the very top, there is a header area with two rows of dotted lines for writing names or dates. In the bottom right corner, there is a small, simple cartoon drawing of a person's head and shoulders. The rest of the page is left blank for students to practice their letter formation and alignment.

[STEP 2] ELI5 ZONE – EXPLAIN LIKE I'M FIVE

NO JARGON

Use only simple, everyday language. No crutch words allowed.

This image shows a blank sheet of handwriting practice paper. It features ten rows of horizontal guidelines, each consisting of three lines: a solid top line, a dashed middle line, and a solid bottom line. These lines are evenly spaced across the page to help children learn letter height and placement. In the bottom right corner, there is a small graphic of two overlapping circles representing eyes, followed by a large number '7'.
